

## **Attachment 10: AB1420 and Water Meter Implementation Compliance**

---

On March 21, 2011, Western received confirmation from the Department of Water Resources that the District is implementing the BMPs consistent with AB 1420 (attachment 3 of 4 for Attachment 10), and, therefore, is eligible to receive water management grant or loan funds. However, since this is more than one year old, Western has submitted Table 1 and 2 as part of this application. Please see attachment 4 of 4 for Attachment 10.

The Water Meter Implementation Compliance Form is attached as attachment 2 of 4 for Attachment 10.
